National Association of Neonatal Nurses

Build a Stronger Neonatal Practice Library

Evidence-informed resources for education, orientation, policy development, competency validation, and bedside reference across your neonatal team.

Choose the right resources for your organization

Mix and match digital guidelines and flagship tools. Ask NANN about institutional licensing, user tiers, and multi-title packages.

DIGITAL GUIDELINES

Licensed delivery for secure, limited-access systems

Infant-Directed Oral Feeding, 2nd Ed.

Readiness, feeding progression, caregiver partnership, and safe, developmentally appropriate feeding.

NICU teams | family-centered care

Practice Standards in Neonatal Transport, 4th Ed.

A practical template for consistent, high-quality transport programs, practices, safety, and outcomes.

Transport teams | program leaders

Peripherally Inserted Central Catheters, 4th Ed.

PICC placement, management, complication prevention, technology, and protocol development.

NICU clinicians | vascular access teams

Thermoregulation in the Care of Infants

Thermal support from delivery through NICU care, warming devices, Golden Hour, and transport.

NICU, obstetric & postpartum teams

Neonatal Parenteral & Enteral Nutrition

Fluid and TPN calculations, nutrition components, human milk, and VLBW/ELBW feeding principles.

Student & novice NNPs | educators

Newborn Safe Sleep

Hospital-based safe-sleep implementation, evidence-based protocols, barriers, and controversies.

Hospital educators | neonatal & pediatric teams

Newborn Pain Assessment & Management

Assessment and management of postoperative, procedural, and disease-related pain.

NEW EDITION COMING JANUARY 2027

FLAGSHIP RESOURCES

Foundational tools for educators, leaders, and clinicians

Policies, Procedures & Competencies, 6th Ed.

Comprehensive, customizable reference for developing or refining neonatal policies, procedures, and competencies.

PRINT BOOK | DIGITAL LICENSING BY AGREEMENT

Neo-Care Cards, 2nd Ed.

29 durable, water-resistant bedside cards with calculations, diagrams, assessments, and critical-care guidance.

PHYSICAL DECK + DIGITAL REFERENCE

NNP Competencies & Orientation Toolkit, 2nd Ed.

Core competencies, standardized evaluation methods, procedural checklist, and downloadable appendices for NNP orientation.

DIGITAL | NNPs, PRECEPTORS & EDUCATORS

BUILD YOUR PACKAGE IN 3 STEPS

1. **PRIORITIZE**
   Choose policy development, orientation, bedside reference, or clinical practice.
2. **DEFINE ACCESS**
   Identify users, locations, preferred format, and secure delivery needs.
3. **REQUEST PRICING**
   Ask NANN about user tiers, terms, and multi-title package options.

Bring trusted neonatal resources to your entire team.

Contact NANN to discuss institutional pricing, licensing terms, and a customized multi-title package.

education@nann.org | nann.org

Digital institutional licensing is available only for closed intranets or password-protected systems accessed by an agreed-upon user group.

Terms and conditions apply. Product availability and editions may change.
